StarTech PCI-E x1 1+2 portos FireWire A FireWire B IO vezérlő

illesztés: PCIe x1, FireWire A, FireWire B, low profile, PCI-E x1: 1db

Cikkszám: PEX1394B3LP

Ár:

46 990 Ft

This 3 Port PCI Express FireWire card comes equipped with a low profile bracket for installation in small form factor PCs, and includes an optional full-size bracket for installation in a standard-sized PC case.

The FireWire card can be installed in a PCIe slot to add two IEEE1394b (FireWire 800 - 9 pin) ports and one IEEE1394a (FireWire 400 - 6 pin) port, providing broad compatibility with a wide range of FireWire devices (e.g. DV camcorders, external hard drives, digital cameras, etc.).

The 2x FireWire 800 and 1x FireWire 400 card features a native (single chip) PCI Express chipset, which provides faster, more reliable and cost-effective performance than expansion cards that utilize a "bridge" chip.

The StarTech.com Advantage

- Add 3 FireWire ports to a standard or small form factor (SFF) computer with support for high-powered FireWire devices
- Native PCI Express chipset design rather than a bridge chip, ensures a fast, reliable and cost-effective FireWire expansion
- Backed by a StarTech.com lifetime warranty and free lifetime technical support
