USB2.0 bemenet: 2db, USB2.0 kimenet: 2db, D-Sub bemenet: 2db, D-Sub kimenet: 1db

Cikkszám: SV211KUSB

Ár:

20 840 Ft

The SV211KUSB 2 Port USB KVM Switch Kit with Audio and Cables lets you control two USB-enabled computers using a single keyboard, mouse and VGA monitor and offers both hotkey and top panel push-button operation for simple switching between connected computers.

Designed to integrate seamlessly into any environment, the USB KVM switch offers a small footprint design (roughly the size of a deck of playing cards) and draws power from the connected computers, so it doesn't require an external power supply.

A suitable solution for virtually any application, the USB KVM switch supports video resolutions of up to 2048 x 1536 as well as audio switching. The USB KVM switch includes two 4ft 2-in-1 VGA and USB Host Cables, providing everything needed for quick installation to provide a complete, out-of-the-box KVM solution.

Delivering dependable and convenient control of multiple computers from a single peripheral station, the KVM switch is backed by a StarTech.com 2-year warranty and free lifetime technical support.

The StarTech.com Advantage

- Power-free operation – KVM draws power from attached computers and requires no power adapters
- Compact, small footprint design fits easily into almost any environment saving desk space and reducing clutter
- Included all-in-one KVM plus audio cables provide a complete out of the box KVM solution
