

StarTech Standalone Eraser 2.5/3.5" SATA USB3.0 dokkoló

beépíthető meghajtók száma: 1db, USB3.0

Cikkszám: SDOCK1EU3P

Ár:

179 220 Ft

Make the most of your SATA drives. This standalone eraser dock lets you erase your 2.5" and 3.5" solid-state drives or hard drives without connecting to a host computer, making it easy to re-use or re-purpose your SATA drive. For added peace of mind, the dock offers a printed confirmation when data has been securely erased.

The eraser dock also gives you a single-bay dock for your SATA drive with fast USB 3.0 performance, also known as USB 3.1 Gen 1 (5 Gbps).

Industry-recognized erase modes

Using industry-recognized erase modes, you can rest assured that the standalone eraser securely cleans, erases or sanitizes the data from your 2.5" or 3.5" SSD or HDD.

The eraser dock supports nine erase modes including Quick Erase, Single and Multi-pass Overwrites, Custom Erase, Secure Erase and Enhanced Secure Erase. The Multi-pass Overwrite (3-Pass Full Disk Overwrite) erase procedures meet the requirements of DoD (5220.22-M) standards.

Wipe sensitive data securely, confirmed with a printed receipt

The eraser dock lets you connect to an RS232 serial printer to print a record of the erase procedure and confirm that the erase has been successfully completed. This feature is ideal for IT technicians, system administrators or any departments needing confirmation when erasing sensitive or confidential information. For your reference, the printed receipt clearly shows you the time and date of erase, as well as the erase mode used.

Easy drive management and wide compatibility

For IT technicians or business professionals who need to check files or test different hard drives, the dock lets you hot-swap drives in and out as needed. The dock features a single SATA bay with a top-loading design for easy access to your drives, which makes it easy to quickly back-up or transfer data to a hard drive or solid-state drive.

With support for SATA I and II and large capacity drives (tested up to 6TB), this docking station is compatible with virtually any 2.5" and 3.5" SATA SSD or HDD drive.

The eraser dock also works with 2.5" and 3.5" IDE hard drives, mSATA drives and M.2 drives using a compatible StarTech.com adapter:

IDE hard drives: Use StarTech.com adapter SAT2IDEADP SATA to 2.5in or 3.5in IDE Hard Drive Adapter for HDD Docks

mSATA drives: Use StarTech.com adapter SAT32MSAT257 mSATA SSD to 2.5in SATA Adapter Converter

M.2 drives: Use StarTech.com adapter SAT32M225 M.2 NGFF SSD to 2.5in SATA Adapter Converter

Hassle-free set-up and a compact design

The eraser dock is OS independent, which ensures a quick and easy setup. Its compact design and small footprint allows it to tuck easily into your workspace.

The SDOCK1EU3P is backed by a StarTech.com 2-year warranty and free lifetime technical support.

Hardware

Bus Type	USB 3.0
Compatible Drive Types (Type and Rate)	SATA
Drive Size	2.5in & 3.5in
Interface	USB 3.0
Number of Drives	2
Supported Drive Height(s)	5mm 7mm 9.5mm 12.5mm 15mm

Performance

Erase Modes	Quick Erase 1- Pass Full Disk Overwrite 3- Pass Full Disk Overwrite 7- Pass Full Disk Overwrite Custom Erase Secure Erase Enhanced Secure Erase
Hot Swap Capability	Yes
Max Drive Capacity	Currently tested with up to 6TB 7200 RPM
Maximum Data Transfer Rate	5 Gbps
Type and Rate	USB 3.0 - 5 Gbit/s SATA II (3 Gbps)

Connector(s)

Drive Connectors	2 - SATA Data & Power Combo (7+15 pin) Receptacle
Host Connectors	1 - USB Type-B (9 pin) USB 3.0 Female
Other Interface(s)	1 - DB 9-pin Serial Male

Software

OS Compatibility	OS independent; No software or drivers required
------------------	---

Special Notes / Requirements

Note	Receipt printing through the RS232 serial port requires a printer which supports the ESC/P printer control language.
-------------	--

Indicators

LED Indicators	1 - 2-Line LCD display on top 1 - Power & Activity LED 1 - HPA/DCO Detect LED
----------------	---

Power

Input Current	1.4 A
Input Voltage	110 ~ 240 AC
Output Current	5 A
Output Voltage	12 DC
Power Source	AC Adapter Included

Environmental

Humidity	10% ~ 90% RH
Operating Temperature	0°C to 40°C (32°F to 104°F)
Storage Temperature	-10°C to 65°C (14°F to 149°F)

Physical Characteristics

Color	Black
Enclosure Type	Plastic
Product Height	2.8 in [70 mm]
Product Length	5.5 in [140 mm]
Product Weight	23.2 oz [656 g]
Product Width	4.8 in [123 mm]

Packaging Information

Shipping (Package) Weight	71.1 oz [2015 g]
---------------------------	------------------

What's in the Box

Included in Package	1 - hard drive eraser and USB 3.0 dock 1 - USB 3.0 Cable
---------------------	---

- 1 - universal power adapter
- 4 - power adapter plug (NA/EU/UK/AU)
- 1 - quick start guide
