Apstar Side-Scrolling Gaming Mouse

Apstar gaming mouse was created to engage players in dynamic and long-lasting games without getting tired. High-precision Sunplus sensor, pleasant-touch non-slip surface, shape optimized for right-hand usage and unlimited customization options allow you to achieve excellent results in games related to any genres. Quickly create your own player's profile, assign macros, change button actions, response speed, and DPI without excessive effort. The distinctive feature of this model is in its scroll wheel, which is positioned on the side, in order to minimize muscle fatigue and open up new possibilities for mouse control. Win any game with any character!
