52 190 Ft

The StarTech.com 7-port USB 3.0 hub is your answer for a durable and compact hub that's ideal for desktop or travel usage.

Enjoy desktop convenience or painless portability

This hub is perfect for a permanent setup with a desktop computer, with a rugged metal housing that can withstand the wear and tear of daily use. Plus, you can attach it to a surface such as a desktop or wall using the included wall-mount bracket.

The compact size and durability of the hub also make it perfectly portable. When you're on the go, its robust design resists damage that can occur when travelling or from back-and-forth trips from home to office.

Connect devices quickly and easily

The ports on this hub are upright, which makes it perfect for IT professionals or anyone who needs to plug and unplug their USB devices regularly. You have lots of room to grip the connectors, without the worry of oversized plugs taking up too much space and reducing the number of available ports.

With extra USB 3.0 ports, you can increase productivity and connect more devices to your computer, or simply avoid the hassle of swapping connected devices on your port-limited laptop. The hub makes your USB ports more accessible and can easily extend the range of your devices by acting as a mid-point repeater.

Use with high-performance and older devices

The ST7300U3M supports the latest USB 3.0 products including UASP-enabled storage devices. With data transfer speeds of up to 5 Gb per second using SuperSpeed USB 3.0 technology, this high-performance hub is the perfect accessory for your desktop, laptop, MacBook®, or UltraBook™.

You can also use the hub with older peripherals and computers, with support for USB 2.0 and 1.x devices and no additional drivers or software required for installation.

Backed by a StarTech.com 2-year warranty and free lifetime technical support.

Bus Type	USB 3.0
Chipset ID	ASMedia - ASM1074
Fast-Charge Port(s)	No
Interface	USB 3.0
Ports	7
USB-C Device Port(s)	No
USB-C Host Connection	No

Performance

Maximum Data Transfer Rate	5 Gbps
Type and Rate	USB 3.0 - 5 Gbit/s

Connector(s)

Connector Type(s)	7 - USB 3.0 A (9 pin; SuperSpeed) Female
	1 - USB 3.0 B (9 pin; SuperSpeed) Female

Software

OS Compatibility	OS Independent; No additional drivers or software required
