Photo paper ColorWay high glossy 260 g/m², 10x15, 500 sht (PG2605004R)

High glossy photo paper ColorWay® for inkjet printing. Paper has soft, glossy and water proved surface. It absorbs fast dye inks. During a use of pigment inks it is recommended to dry a print in order to avoid coming off. It provides bright, saturated colors with lots of tints. Store in dry place. Keep away from direct sun light. Storage temperature from 5°C (41°F) to 25°C (77°F). Best before 5 years from manufacturing date. Date of production is on package. Paper does not contain any harmful components for human being. Printed pictures are recommended to store in photo albums or in photo frames under glass. This paper model is intended only for inkjet printing and personal use.
