

Ubiquiti TOUGHCable CAT5e UTP adatkábel 305m fekete kültéri

Cikkszám: TC-CARRIER

Ár:

123 670 Ft

Increased Performance

TOUGHCable™ dramatically increases your Ethernet link states, speeds and overall performance.

□

Extreme Weatherproof Design

TOUGHCable™ has been built to perform in even the harshest weather and environments.

□

ESD Damage Protection

TOUGHCable™ protects your networks from devastating electrostatic discharge attacks.

□

Extended Cable Support

TOUGHCable™ has been developed to increase power handling performance for extended cable run lengths.

□
