6 290 Ft

Garancia: 12 Hónap

QM10 Charger:

- (1) Delivers up to 18W of charging power via the USB Type-C port
- (2) Charge up to 50% in 30 minutes with quick charge support for Apple and Android devices
- (3) 100-240 input voltage support can safely handle a wide variety of voltages
- (4) Compact form factor ensures maximum portability as well as an outlet fit that won't interfere with space for other chargers
- (5) Protection: Over-Voltage Protection, Over-Current Protection, Short-Circuit Protection, Surge Protection, Flame-Retardant (UL94V0 Grade)

LK20CL Cable:

- (1) USB Type-C to Lightning cable with MFi certification offers guaranteed compatibility with all Apple devices
- (2) Supports output power up to 60W (max 3A) for a rapid charging experience
- (3) Sync and charge with high-speed data rates up to 480Mbps
- (4) L-shaped design provides a more comfortable fit for a charge-and-play mobile gaming experience
- (5) Flexible ridges inspired by an electric current on the L-shaped design offer better protection from direct or indirect damage by safely bending and releasing tension from the cable wires
- (6) Case-friendly design enables it to connect to most mobile devices without needing to remove the case
- (7) TPE material provides ultra durable strength with a bend test pass rating of 30,000 times
- (8) Includes a strap for more convenient storage
