Cleaner ColorWay Alcohol spray for disinfection surfaces 500ml. CW-3360

Alcohol spray for cleaning. 99% denatured alcohol spray.

An excellent universal tool for cleaning of various surfaces. The unique advantage of such alcohol compared to household chemicals is the absence of dangerous components that can cause irritation and allergies. It copes with cleaning metal, ceramics, electronic boards, contacts, external plastic parts of a PC, fax, printer and various surfaces resistant to alcohol. Does not lubricate, does not contain oil or grease.
