Quick charge power bank 10000 mAh  
PB-107

This power bank by Canyon is designed to help you spend less on chargers with different types of connectors while taking full advantage of modern technology. The power bank has two slots – USB-A and USB-C, which allows you to simultaneously charge two devices with different cable connectors. You can charge your devices using either a Micro-USB or USB-C cable. Besides, the battery is equipped with a quick charge function. Advanced technology protects rechargeable gadgets from short circuits, overheating, overvoltage, overcurrent, overcharge, and over-discharge. The battery capacity is enough for three to four charges of a modern smartphone. Maximum functionality and nothing unnecessary!
