The RK812WALLO 8U Open Frame Wall Mount Equipment Rack (12in Depth) is a high quality, low cost relay rack that is easy to assemble and install into any environment. The rack can be wallmounted or installed as a free standing storage solution. This TAA compliant product adheres to the requirements of the US Federal Trade Agreements Act (TAA), allowing government GSA Schedule purchases.

Able to accommodate common networking, audio-video and telecom equipment, the open rack offers a depth of 12in; the wall mounts are positioned 16in apart (center to center), making it suitable for mounting on virtually any wall surface, based on North American wall frame stud spacing standards.

This 8U rack can be mounted to the wall in a server room, office, or above a doorway, expanding your workspace and keeping your equipment easily accessible.

Backed by a StarTech.com lifetime warranty.
