Description

VARR FIGHTER 2 is a mechanical keyboard designed for the most demanding players. It's a combination of high-quality materials with eye-catching design that impresses and fits the player's room.

FIGHT AND WIN

High quality replaceable mechanical XINDA Blue switches provide a comfortable, perceptible activation point that is perfect for demanding tasks. This solution guarantees durability and reliability.

COMFORTABLE FUNCTION KEYS

The full range of multimedia keys allows for convenient control of, among others, multimedia functions.

ANTI-GHOSTING FUNCTION

Anti-ghosting is a feature that prevents the keyboard from locking when you press many buttons at the same time. This is a facilitation that allows you to work reliably while simultaneously executing many commands in games.

RELIABLE CONSTRUCTION

The base of the VARR FIGHTER 2 keyboard is made of durable material, while the keys made in the double injection molding technology allow for durable and reliable operation.
