Anker Prime Charging Docking Station (14-in-1, Dual
Display, 160W)

Model Number: A83B6

Your Ultimate 14-in-1 Desktop Solution

All Your Ports in One Place: Boasting an extensive array of ports, including four USB-C and five USB-A ports, along with dual HDMI for high-definition output, and dedicated audio and Ethernet ports.

Space-Efficient Dock: Revitalize your workspace with a sleek docking station, featuring a vertical design and an integrated GaN AC-DC power module to minimize space usage while maintaining functionality.

Ultra-Clear 4K Displays: Transform how you work and play with dual 4K screens that deliver vivid colors and sharp details at a consistent 60Hz. (Note: macOS does not support Multi-Stream Transport (MST).)

Highly Safe and Compatible: Stay confident with a dock designed for safety, sporting advanced heat dissipation structures and temperature controls that protect your devices while maintaining high performance.

Compatibility: System Types: Windows, macOS; USB-C Host Devices: Dell, Lenovo, iMac, MacBook

Notes: 1. For additional usage guidance, please refer to the user manual. 2. Customize your power distribution by downloading the Dock Manager app on your computer. 3. USB-C downstream data ports do not support charging or display functions. 4. Ports labeled with "IQ" are dedicated charging ports and do not support data transfer.

Specifications: Dimensions: 5.51 × 3.82 × 1.85 in / 140 × 97 × 47 mm; Weight: 1.96 lb / 888 g
