This flashlight is very compact and ultra-powerful, and fits easily in your backpack, survival bag, or car. Its strong beam lights up the path far ahead of you. With adjustable zoom and multiple lighting modes, it's versatile enough to replace several types of flashlights. Built with a robust, water-resistant aluminum body, it withstands rain, snow, and even drops on hard surfaces. A reliable tool for any home, emergency kit, or your next outdoor adventure.

- Water resistant**
- Shock proof**
- Small but powerful**
