The Sandberg Survivor 7in1 Torch Powerbank 10000 is perfect for camping trips or outdoor adventures. This device combines multiple useful features in one: A powerful flash light with adjustable brightness levels and a zoom lens. A lantern on the side with several modes and red light option. The built in rechargeable battery, works as a battery for the lamps but can also work as a power bank by the built-in USB-socket for charging your smartphone, for example. It's built tough with an IPx4 certified aluminum shell, so you can safely take it with you in harsh conditions. Additionally, the flashlight can be used as an emergency hammer by the strong top ring.
