ColorWay High Gloss Photo Paper® for inkjet printing. Paper has smooth, glossy and water-proof surface. It quickly absorbs dye inks. When using pigment inks it is recommended the print dry before handling to prevent the ink from rubbing off or smearing. Prints using bright, saturated colors and various different tints. Store in a cool, dry place and keep away from direct sunlight. Storage temperature from 5°C (41°F) to 25°C (77°F). Best if used within 5 years from manufacturing date. Date of production is on package. Paper does not contain any harmful chemicals. Pictures should be stored in photo albums or picture frames to maintain quality. This paper model is intended only for inkjet printing and personal use.

Characteristics:
