Overview

We understand that the way you work has changed. The commuter of today needs versatility, and confidence in protection to support a working environment that's more mobile than ever before.

The Targus CityGear 3 range of durable laptop backpacks has remastered everything that made its predecessors our most demanded collection, to create an even more compact, lightweight range that secures and protects what matters.

35 years of insight and research has gone into understanding your needs to store and transport the equipment that ensures productivity, creating not only the best protection for your hardware, but the best ergonomic protection for you to carry it too.

The CityGear 14-15.6" Laptop Backpack is the perfect commuter bag; carry your tech in this slim yet durable laptop backpack with casual styling, clever capacity and comfortable carrying.

The built-in Dome Protection System will protect your tech during the commuter-crush with shock-absorbing layers integrated to dissipate pressure and protect your laptop, tablet and other devices inside.

With zipped mesh pockets so you can see what’s inside and space for notebook and stationary, you can keep your stuff organised in designated compartments. All within a sleek, stylishly professional design.
